

دکتر جعفر خلیل علافی

استاد

دانشکده: مهندسی مواد

گروه: متالورژی

Name: Jafar Surname: Khalil-Allafi

Date and Place of Birth: 23 July 1965, Oroumieh, Iran

Address: Faculty of Materials Engineering, Sahand University of Technology, Tabriz, Iran

E-Mail: jallafi@yahoo.de, Allafi@sut.ac.ir

H-index:37 in google scholar

Tel: 0098-(0)41-33459454

Nationality: Iranian

March 2015- present Professor, Faculty of Materials Engineering, Sahand University of Technology, Tabriz, Iran.

July 2014-2018 Head of Faculty of Materials Engineering, Sahand University of Technology, Tabriz, Iran.

March 2016-December2020 Technical Consulter in Pump and Turbine Company (PETCO), Tabriz, Iran.

June 2005 – June 2007 and Feb. 2011 - 2018 Dean of Research Center for Advanced Materials and Mineral Processing, Sahand University of Technology, Tabriz, Iran.

Sep. 2007- March 2015 Associate Professor, Faculty of Materials Engineering, Sahand University of Technology, Tabriz, Iran.

Sep. 2004 – Sep. 2007 Assistant Professor, Faculty of Materials Engineering, Sahand University of Technology, Tabriz, Iran.

Courses taught for Bachelor Students:

1) Materials Selection 2) Physical Properties I & II 3) Nonferrous Alloys
4) Thermodynamics of Materials 5) Production Processing, 6) Heat
Treatments 7) Materials Science 8) Advanced Materials
9) Crystallography 10) Casting of Steels and Cast Irons

(i) Advanced Thermodynamic (ii) Shape Memory Materials (iii) Casting
Design

for M.Sc. Students

Shape Memory Materials and Casting Design for Ph.D. students

Jan. 2003 – Aug. 2004 Postdoctoral, Ruhr-University Bochum, Germany
(under supervision of
Professor Wolfgang Schmahl)

Jan. 1999 – Dec. 2002 Ph.D.: Institute for Materials Science, Ruhr-
University Bochum, Germany

Thesis Subject: Microstructural Investigations on the Influence of
ThermoMechanical Treatments on Martensitic Phase Transformations in
a Ni-rich NiTi

Shape Memory Alloys (under supervision of Professor Gunther Eggeler)

Oct. 1992 – Nov. 1998 Instructor at Sahand University of Technology,
Tabriz, Iran.

Dec. 1995 – Jul. 1998 Technical Consulter in combine manufacturing
co. "Azarbaijan Industry
Promotion Co." Tabriz, Iran.

Jun. 1997 – Jul. 1998 Technical Consulter in Educational Group of
Iran Tractor Manufacturing
Organization, Tractor Manufac. Co. of Tabriz, Iran.

Apr. 1989 – Jun. 1992 M. Sc.: Materials Engineering, Iran University of
Science and Technology, Tehran, Iran.

Thesis Subject: The Casting of Ductile Iron in Rigid Moulds and
Permanent moulds Without Using Riser

Mar. 1984 – Feb. 1988 B. Sc.: Metallurgical Engineering, Isfahan University of Technology, Isfahan, Iran.

Award: Thyssen-Krupp innovation price 2002 in Germany

Language Skills: German, English, Persian, Azari

Book: Metallic Biomaterials and Biocoatings, By: Mahdiyeh Soltanalipour and

Jafar Khalil-Allafi, 2020 Froozesh publications-Tabriz

Translation: Two Books translated from English to Persian language (Farsi)

(1) Thermodynamics of Materials, by: Prof. Daviv, V. Ragon

(2) Shape Memory Materials, Edited by: Prof. Otsuka and Prof. Wayman

Research Interests: Shape Memory Alloys, Biomaterials, Bio-Coatings, Heat treatments and Phase

Transformation, Materials Selection, Production and Quality Control of Composites and Alloys, Casting Technology, Characterization of Materials

Others Activities: Member of the specialized working group for planning and development of

materials and metallurgy in the Ministry of Science (2018- 2024)

Member of technical and engineering working group in INSF (2015-2020)

Member of the editorial board of Journal of Advanced Materials in Isfahan

University of Technology

Sport Activities: Swimming, Bicycle, Soccer

Journal Publications:
