

Ildar Sadeghi

Professor

College: Faculty of Basic Sciences

Curriculum Vitae

Ildar Sadeghi, PhD

Professor of Mathematics

Personal:

Name: *Ildar*

Last Name: *Sadeghi*

Tel: +98 412 345 9054

P. O. Box: 53317-11111

Email: esadeqi@sut.ac.ir Or esadeqi@yahoo.com

Current Positions

- Professor- Sahand University of Technology- Iran

Professional Experience:

- Researcher Assistant- Simon Fraser University-Canada (2000)
- Assistant Professor-Sahand University of Technology -Iran (2001-2008)
- Associate Professor- Sahand University of Technology- Iran(2008-2018)
- Chair's office Faculty of Basic Sciences, Sahand University of Technology- Iran (2012-2014)
- One year sabbatical leave at the university of British Columbia, 2017
- Chair's office Faculty of Basic Sciences, Sahand University of Technology- Iran (2020)
- Member of Editorial board for SCMA
- Editor-in-chief for the journal of Sahand Communications in Mathematical Analysis(2020-2023)

Education:

1997-2001: Ph. D., Tabriz University-Tabriz-Iran.

1995-1997: M. Sc., Tabriz University-Tabriz-Iran.

1991-1995: B. Sc., Tabriz University-Tabriz-Iran.

Professional Membership:

- Member of CECM Simon Fraser University- Burnaby- Canada. 2000-present
- Member of Working Group on Generalized Convexity (WGGC). 2000-present
- Member of Iranian Mathematical Society, 1995-present
- Member of Iranian Fuzzy Systems Society, 2007-present

Research Interests:

Geometry of convex analysis, Variational Analysis, Functional analysis, Fuzzy mathematics.

Teaching Experience:

Graduate: Real Analysis, Functional Analysis, Operator Theory, Convex Analysis, Geometry of Banach Spaces, Variational Analysis.

Undergraduate: Calculus, Mathematical Analysis, Complex Analysis

Awards and Distinctions:

- Top researcher of the Faculty of Science, Sahand University of Tech., 2009.
- Top researcher of the Faculty of Science, Sahand University of Tech., 2011.
- Holding 8-th place of Iranian student math tournament at the Kerman University, Kerman, 1995.
- First ranked M.Sc graduate of Pure Mathematics at the Tabriz University-Tabriz-Iran.1995.

Current Doctoral Students at the Sahand University of Technology:

- Farnaz Yaghob Azari
- Samira Fatemi

Graduate Students:

(Ph.D. Supervision)

- 1- Mitra Salehi Paydar, Ph.D., (Supervisor) Stability of solution set for equilibrium problems in topological vector spaces, September 2015
- 2- Hassan Gazanfary Asll, Ph.D., (Supervisor) The proof of some integral inequalities for fuzzy integrals, April 2017
- 3- Ali Hassanzadeh, Ph.D., (Supervisor) Extremal principles in Abstract cones and domains, May 2017
- 4- Somayeh Nadi, Ph.D., (Supervisor) Subdifferentials of set-valued functions on Banach spaces, August 2018
- 5- Sima Hassankhali, Ph.D., (Supervisor) Diffrentiability of support function, Nov. 2019

(M. Sc., **Supervision**):

1. M. R. Azimi, Local spectral properties of weighted shifts, Sep. 2005.
2. Ali Amiripour, Fuzy bounded linear operators, May 2007.
3. Mitra Salehi Paydar, Topological degree theory and fixed point theorems in fuzzy normed space, Feb. 2008
4. Farnaz Solati Kia, Fuzzy normed linear spaces and fixed point theorems, Tan. 2008.
5. Camelia G. Alizadeh, Recession methods for generalized vector equilibrium problems, October 2008.
