

Mohammad Goharkhah

Associate Professor

College: Faculty of Mechanical Engineering

Employment Information

Faculty/Department	Position/Rank	Employment Type	Cooperation Type	Grade
(not set)	(not set)	Tenure Track	Full Time	

Papers in Conferences

1. M.Goharkhah , "Application of ferrofluid for convective heat transfer enhancement in micro gravity conditions ,Conference of Iranian Aerospace Society ,Tehran, Iran ,2017.
2. M.Goharkhah ,Application of ferrofluid for convective heat transfer enhancement in micro gravity conditions ,Conference of Iranian Aerospace Society ,Tehran, Iran ,2017.

Papers in Journals

1. M Goharkhah ,& Ramin Feizi,Electrohydrodynamic (EHD) effects on condensation heat transfer of R-11 on circular and elliptical cylinders: An experimental study,International Journal of Thermal Sciences,2023.
